PARTICIPANT LIABILITY RELEASE FORM

I, _____, acknowledge and state the following:

I have chosen to travel to the worksite to perform flood preparations (i.e. sandbagging, dike building, etc.) or to perform clean-up/construction work in response to a disaster.

I understand that this work entails a risk of physical injury and often involves hard physical labor, heavy lifting and other strenuous activity. I further understand that some activities may take place on ladders and building framing other than at ground level. I certify that I am in good health and physically able to perform this type of work.

I understand that I am engaging in this project at my own risk. I assume all risk and responsibility for any damage or injury to my property or any personal injury which I may sustain while involved in this project.

In the event that the local disaster response agency arranges accommodations, I understand that they are not responsible or liable for my personal effects and property and that they will not provide lock-up or security for any items. I will hold them harmless in the event of theft resulting from any source or cause. I further understand that I am to abide by whatever rules and regulations are in effect for the accommodations at the time.

By my signature, for myself, my estate and my heirs, I release, discharge, indemnify and forever hold the disaster response agency, together with their officers, agents, servants and employees, harmless from any and all causes of action arising from my participation, and travel and/or lodging associated therewith, including any damage which may be caused by their own negligence.
