PLANNING AND ZONING

Mr. George Leary, Land Use Administrator, and Ms. Sara Isebrand, Land Use Specialist, presented the following items to the Board.

Commissioner Bruender moved and Commissioner Campbell seconded the motion to defer item PC10-12 to the end of the Planning and Zoning agenda. The motion carried. 2012-156

Commissioner Stuehrenberg moved and Commissioner Bruender seconded the motion to approve the following resolution:

RESOLUTION GRANTING A REQUEST TO TO TRANSFER A DEVELOPMENT RIGHT FROM THE SE ¼ OF THE SW ¼ OF SECTION 34 LERAY TOWNSHIP TO THE NE ¼ OF THE SW ¼ OF SECTION 34, LERAY TOWNSHIP (T-108-N, R-25-W).

WHEREAS, Daniel & Cheryl Sodeman, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

The Northeast Quarter (NE ¼) of the Southwest Quarter (SW ¼), Section Thirty-four (34), Township One Hundred Eight (108) North, Range Twenty-five (25) West, Blue Earth County, Minnesota, EXCEPT that part of the Southwest Quarter (SW ¼) of said Section Thirty-four (34) shown as Parcel 13 on the plat designated as the Blue Earth County Highway right-of-way Plat No. 1; together with all hereditaments and appurtenances belonging thereto.

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 09-12), a copy of said report has been presented to the Planning Commission; and,

WHEREAS; the Planning Commission of the County on the 4th Day of April, 2012, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 09-12, and,

WHEREAS; the County Board on the 24th day of April, 2012, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 09-12, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.
14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

15. That the intensity of the proposed residential development is not greater than the intensity allowed in the Agricultural Zoning District. Section 24-111 of the Agricultural District States: "Owners of property, residents, other users of property in the agricultural zone, and neighboring properties adjacent to the agricultural zone may be subjected to inconvenience or discomfort arising from normal and accepted agricultural practices and operations including, but not limited to; noise, odors, dust, operation of aircraft and late night operation of farm machinery, the storage and application of manure, fertilizers, soil amendments, herbicides, and pesticides associated with normal agricultural operations."

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request for a conditional use permit to transfer a development right from the SE ¼ of the SW ¼ of Section 34 LeRay Township to the NE ¼ of the SW ¼ of Section 34, LeRay Township is **granted** with the following conditions:

1. The applicants must seal the old well by May 15, 2012.
2. The applicants split the 40 acre parcel so that only one home per parcel remains.
3. The applicants apply for a building permit prior to construction.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2012-157

Commissioner Bruender moved and Commissioner Purvis seconded the motion to approve the following resolution:

RESOLUTION GRANTING A REQUEST TO CONSTRUCT ONE TOTAL CONFINEMENT SWINE FINISHING BARN CAPABLE OF HOLDING 1,200 FINISHING HOGS OR 480 ANIMAL UNITS AND TO INCREASE THE TOTAL ANIMAL UNITS FOR THE SITE TO 1,476 ANIMAL UNITS. THE SITE IS LOCATED IN THE SE ¼ OF THE NW ¼ AND THE NE ¼ OF THE SW ¼ SECTION 34, MEDO TOWNSHIP (T-106-N, R-25-W).

WHEREAS, Reid Olson and Ron and Judith Olson Trust, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

Beginning 2011.00 feet south of the North quarter corner; thence south 935.00 feet; thence west 495.00 feet; thence north 330 feet; thence east 45 feet; thence north 605 feet; thence east 450.00 feet to the point of beginning, Section Thirty-four (34), Township One Hundred Six (106) North, Range Twenty-five (25).

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 11-12), a copy of said report has been presented to the Planning Commission; and,

WHEREAS; the Planning Commission of the County on the 4th Day of April, 2012, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 11-12, and,

WHEREAS; the County Board on the 24th day of April, 2012, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 11-12, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control

lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

NA13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.

14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

NA15. That the intensity of the proposed residential development is not greater than the intensity allowed in the Agricultural Zoning District. Section 24-111 of the Agricultural District States: "Owners of property, residents, other users of property in the agricultural zone, and neighboring properties adjacent to the agricultural zone may be subjected to inconvenience or discomfort arising from normal and accepted agricultural practices and operations including, but not limited to; noise, odors, dust, operation of aircraft and late night operation of farm machinery, the storage and application of manure, fertilizers, soil amendments, herbicides, and pesticides associated with normal agricultural operations."

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request for a conditional use permit to construct one total confinement swine finishing barn capable of holding 1,200 finishing hogs or 480 Animal Units and to increase the total animal units for the site to 1,476 animal units is **granted** with the following conditions:

1. That the total confinement barn conforms to the site plan attached to this report PC 11-12.
2. That the feedlot be located on a single, legally described parcel consisting of a minimum of 40 contiguous acres. The parcel shall be a parcel of record, properly recorded in the Blue Earth County Land Records Office.
3. That the applicant must obtain a Blue Earth County Feedlot Permit before any animals are placed in the barn.
4. That the applicant obtains a Blue Earth County Construction Permit before building begins and within one (1) year from the date the County Board of Commissioners approves the Conditional Use Permit. The permit shall be rendered invalid if application for a Construction Permit is not made within this one (1) year period. Time extensions for Conditional Use Permits must be obtained from the County Board of Commissioners subsequent to a public hearing conducted by the Planning Commission.
5. If required by the Department of Natural Resources, the applicant shall obtain a DNR "Water Appropriations Permit" before any animals are placed in the barn.
6. That a perimeter footing drain tile be located at or below the bottom of the pit footings. The footing tile shall include one inspection pipe for each concrete pit. The native materials must be excavated and walls back filled with granular material (pit run gravel or

equivalent). *Exceptions to this may only include specific design standards submitted by the design engineer of the manure storage structure.*

7. That application of manure is on the land documented in the aerial photos included in the State of Minnesota Application for Construction and Operation of an animal feedlot. The application of manure shall comply with standards set forth by the MPCA. This plan must be reviewed by the operator each year and updated each year and adjusted for any changes in the amount of manure production, manure nutrient test results, fields available for receiving manure, crop rotations, or other practices which affect the available nutrient amounts or crop nutrient needs on fields receiving manure as required by the MPCA. Records of manure application shall be maintained as required by the MPCA. Manure application setback standards for the fields on which the manure is applied shall be followed as required by the MPCA and the County.
8. That the disposal of dead animals be consistent with the Minnesota Board of Animal Health regulations, and when rendering is used as a mortality disposal the applicant shall provide an enclosed location for the pick-up.
10. That adequate measures be taken to minimize or control offensive odor, fumes, dust, noise, or vibrations so that none of these will constitute a nuisance.
11. That all manure storage structures must be designed by a registered engineer.
12. That the applicant will furnish a copy of the final construction report to Environmental Services verifying that the concrete manure storage structure was constructed per approved engineered design plan within 60 days of completion of any new or modified manure storage area. Said construction report shall be signed by the design engineer.
13. That the applicant complies with the storm-water control requirements established by the MPCA.
14. That all exposed earthen surfaces be seeded into grass or utilized as crop acreage.
15. If shower, restroom, culinary and/or laundry facilities are to be included with the proposal, that wastewater handling practices are designed and constructed according to state requirements.
16. If the MPCA denies the applicants NPDES permit, this CUP will be null and void.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2012-158

Commissioner Campbell moved and Commissioner Stuehrenberg seconded the motion to approve the following resolution:

WHEREAS, Eric and Rande Baker, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

That part of the Southwest Quarter of the Southeast Quarter of Section 17, Township 107 North Range 26 West, lying westerly and southerly of Parcel D of Blue Earth County Highway Right of Way Plat No. 8.

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 12-12), a copy of said report has been presented to the Planning Commission; and,

WHEREAS; the Planning Commission of the County on the 4th Day of April, 2012, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 12-12, and,

WHEREAS; the County Board on the 24th day of April, 2012, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 12-12, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.

8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners that the request for a conditional use permit to operate a lawn service business in the Agricultural Zoned District in the SW ¼ of the SE ¼ of Section 17, Decoria Township is **granted** with the following conditions:

- (1) All level II home occupations shall be conducted entirely within the dwelling or accessory building and shall be carried on by the inhabitants thereof. Six employees are allowed other than the inhabitants.
- (2) Such use shall be clearly incidental and secondary to the use of the property for residential purposes. Total maximum floor use area shall be 5,000 square feet.
- (3) Junkyards and scrapyards are prohibited.
- (4) Allowable signage shall be limited to a 32 square foot sign, non-illuminated, and located on the property.
- (5) There shall be no indication of offensive noise, vibration, smoke, dust, odors, heat or glare at or beyond the property line.
- (6) The operation of the home occupation shall begin no earlier than 8:00 a.m. and end no later than 5:00 p.m.
- (7) Materials and equipment shall be stored in an enclosed building or screened area.

(8) In case of a home occupation which requires the use of a commercial truck, tractor, van, pickup or any vehicle whatsoever required to be registered as a Y type vehicle or any trailer or other machinery capable of being trailed behind, such vehicle shall be parked off-street and upon the lot of the owner from where such home occupation is conducted. Parking is allowed only on a hard surfaced or gravel parking area. All drives accessing a hard-surfaced road shall be bituminous or concrete.

(9) The existing floor drain in the accessory building shall be cemented shut prior to commencement of business operations.

(10) That further review of the existing septic system, for proper sizing, shall be given prior to having any more than three employees outside of the family on site.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2012-159

Said parcel contains 5.00 acres, subject to an easement for 164 Street purposes over and across the northerly boundary and subject to an easement for 563 Avenue purposes over and across the westerly boundary. Also subject to any other easements of record.

And;

The East Half of the Northwest Quarter (E ½ of the NW ¼) of Section One (1), Township One Hundred Six (106), Range Twenty-seven (27) West, Blue Earth County, Minnesota.

WHEREAS, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 10-12), a copy of said report has been presented to the Planning Commission; and,

WHEREAS; the Planning Commission of the County on the 4th Day of April, 2012, following proper notice held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to forward the matter to the County Board with a recommendation for approval subject to conditions contained in staff report PC 10-12, and,

WHEREAS; the County Board on the 24th day of April, 2012, held a public hearing regarding the request, and following due consideration of presented testimony and information, voted unanimously to approve the request subject to conditions included in staff report PC 10-12, and,

WHEREAS, the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.

4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard. The applicants have provided engineered design plans to address this issue to the satisfaction of the MPCA.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
13. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.
14. That the intensity of the proposed commercial or industrial development is not greater than the intensity of the surrounding uses or not greater than the intensity characteristic of the applicable zoning district.
15. That the site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

NOW THEREFORE BE IT RESOLVED, by the Blue Earth County Board of Commissioners, that the request for a conditional use permit to construct and operate a source separated compost facility located in the Agricultural Zoned District of the SW ¼ of the NW ¼ Section 1, Lyra Township is **granted** with the following conditions:

1. Construction may not proceed, composting operations may not begin, and no organics may be brought on site until all necessary State of Minnesota Permits and County License(s) are issued.

2. The composting operations shall be conducted in compliance with the laws of the state and the federal government, especially as related to environmental protection standards, and ordinances and resolutions of the county, as amended from time to time.
3. Adequate planting, fencing or berming shall be provided around the site to provide security from unwanted drop offs, prevent runoff from the site and to catch litter.
4. Ingress and egress access points from or onto any road or highway shall be clearly signed, and only those signed access points shall be utilized. All access points must be approved by the highway agency having jurisdiction. Precautions must be taken to minimize the deposit of dirt and organic material from trucks onto the public roads.
5. Trucks used in hauling compost from the site shall be loaded in such manner as to minimize spillage onto public highways. Any spillage resulting from overloading or from truck tires shall be removed at regular intervals.
6. All applicable setbacks must be established and maintained.
7. Litter generated on site or from trucks hauling to the site shall be cleaned up at regular intervals, sufficiently frequent to prevent the accumulation of litter on the property or the escape of litter from the property
8. All requirements of the County Highway Department must be met with regards to construction of the access to the site from County Road 165 and with regard to dust control.
9. Upon abandonment of the site, stockpiles of organic materials and unfinished compost must be removed from the site within six months. Building, scale and tanks may remain on site with Environmental Services Planning and Zoning approval.
10. All tiles lines beneath the surface will be re-routed, and will no longer carry water or other fluids away from the site before composting activity begins.
11. Operating procedures and adequate measures shall be utilized to control or minimize offensive odor, rodents, fumes, dust, noise, or vibrations so that none of these will constitute a nuisance to or be in conflict with adjoining property.
12. A reclamation performance bond will be required as part of the Solid Waste Facility License, and shall be provided prior to commencement of composting activities.
13. Hours of operations shall be adhered to as outlined in the submitted plan.
14. Junkyards and scrap yards are prohibited.

15. Signage shall be limited to one 32 square foot sign, non-illuminated, and located on the property.
16. Lights and glare that create a nuisance will not be allowed.
17. Calcium chloride shall be added to the proposed gravel haul route a minimum of twice per year and a minimum of four times per year in front of the residences along the gravel haul route. In the event that trucks associated with this operation begin to use alternative gravel haul routes, the above referenced dust control measures shall in addition be applied to the alternative haul routes. Should these dust control measures prove to be inadequate, the owners and operators shall work to provide alternative methods for adequate dust control.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

Commissioners Bruender, Piepho, and Stuehrenberg voted yes. Commissioners

Campbell and Purvis voted no. The motion carried. 2012-160
