## PLANNING AND ZONING

Ms. Sara Isebrand, Land Use Specialist, presented the following items to the Board.

Commissioner McLaughlin moved and Commissioner Campbell seconded the motion to approve the following resolution:

**Resolution APPROVING of a conditional use permit to expand the area and occupancy of Wellcome Manor. The property is zoned Rural Townsite and is located in the NW ¼ of the NW ¼ of Section 26, Garden City Township. (T-107-N, R-28-W).**

**WHEREAS**, 22LLC, owner of the following real estate in the County of Blue Earth, Minnesota, to wit:

Lots 1,2,3,4,5,6,7 & 8, Block 40 and vacated Jackson St. adjacent to Lots 5,6,7 & 8; the West 16 feet of Lots 1,2,3,4, Block 46 (Public Square) and vacated Jackson St. and vacated Jefferson St. adjacent.

And

Tract A, Registered Land Survey No. 160; Tract A, Registered Land Survey No. 167; and an easement for driveway purposes as described in Document No. T94747, all in Garden City. (T-107-N, R-28-W);

is requesting approval of a conditional use permit to expand the area and occupancy of Wellcome Manor. The expansion will consist of 11 bedrooms, restrooms, showers, commons area, laundry, and an office. Once completed, the facility will accommodate up to 50 women and 56 children.

**WHEREAS**, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 24-10), a copy of said report has been presented to the County Board; and

**WHEREAS**, the Planning Commission of the County on the 3rd day of November, 2010, following proper notice, held a public hearing regarding the request and, following the hearing, adopted a recommendation for approval subject to conditions contained in staff report number PC 24-10; and

**WHEREAS**, the Blue Earth County Board of Commissioners finds that:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.

9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.
14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

**NOW THEREFORE BE IT RESOLVED**, by the Blue Earth County Board of Commissioners, that the request to expand the area and occupancy of Wellcome Manor to accommodate up to 50 women and 56 children through the addition of 11 bedrooms, restrooms, showers, commons area, laundry, and an office, is hereby **granted** contingent upon the following:

1. That a design for the septic tanks and potential pretreatment system must be submitted for the proposed expansion in conjunction with issuing the building permit.
2. All septic work must be completed by a licensed septic contractor.
3. Installation of the approved septic system changes must occur prior to the completion of the increased living space in the facility.
4. An operating permit must be secured for the new septic system at the time of installation.
5. All building plans must be submitted to the Minnesota Department of Health (MDH) and approved by the MDH prior to issuance of the construction permit.
6. That a construction permit be obtained prior to commencement of construction activities.
7. That all provisions of the 2007 Minnesota State Building Code and all other state adopted codes be adhered to.
8. That the facility be operated in compliance with all pertinent county requirements.

This conditional use shall become effective immediately upon its passage and without publication.

The motion carried. 2010-354

**WHEREAS,** the Blue Earth County Board of Commissioners finds:

1. That the proposed use conforms to the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.
7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control

lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.

13. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

**NOW THEREFORE BE IT RESOLVED**, by the Blue Earth County Board of Commissioners, that the Conditional Use Permit is hereby **granted** contingent upon the following:

1. The level II home occupation shall be conducted entirely within the dwelling or accessory building and shall be carried on by the inhabitants thereof. Up to six employees are allowed other than the inhabitants.
2. Such use shall be clearly incidental and secondary to the use of the property for residential purposes. Total maximum floor use area shall be 5,000 square feet.
3. Junkyards and scrapyards are prohibited.
4. Allowable signage shall be limited to a 32 square foot sign, non-illuminated, and located on the property.
5. There shall be no indication of offensive noise, vibration, smoke, dust, odors, heat or glare at or beyond the property line.
6. The operation of the home occupation shall begin no earlier than 8:00 a.m. and end no later than 5:00 p.m.
7. Materials and equipment shall be stored in an enclosed building or screened area.
8. In case of a home occupation which requires the use of a commercial truck, tractor, van, pickup or any vehicle whatsoever required to be registered as a Y type vehicle or any trailer or other machinery capable of being trailed behind, such vehicle shall be parked off-street and upon the lot of the owner from where such home occupation is conducted. Parking is allowed only on a hard surfaced or gravel parking area. All drives accessing a hard-surfaced road shall be bituminous or concrete.
9. The applicant applies for the VSQG waste program and dispose of waste and fluids generated by the business properly.
10. The parcel that contains the shed and the home shall not be sold separately. If the two parcels are separated this conditional use permit shall be revoked.
11. Prior to issuance of the conditional use permit, plans for the sewage waste from the building must be submitted and approved. Additionally, these plans must be constructed prior to the utilization of any sewage generating devices in the building.

This Conditional Use Permit shall become effective immediately upon its passage and without publication.

The motion carried. 2010-356

Commissioner Bruender moved and Commissioner Piepho seconded the motion to approve the following resolution:

**Resolution APPROVING the Preliminary and Final Plat of Schneider Second Subdivision, a one lot and one outlot subdivision located in the Agricultural and Shoreland Zoned Districts in the NE ¼ of the NW ¼ and NW ¼ of the NE ¼ all located in of Section 7, Le Ray Township. (T-108-N, R-25-W).**

**WHEREAS**, Jon & Carol Schneider and David & Julie Dillaveau, owners of the following real estate in the County of Blue Earth, Minnesota, to wit:

As defined on the Plat of Schneider Second Subdivision;

are requesting plat approval of Schneider Second Subdivision creating a 7.57 acre residential parcel and a 9.0 acre outlot in an area classified as Agriculture and Shoreland Zoning Districts; and,

**WHEREAS**, the Planning Agency of the County has completed a review of the application and made a report pertaining to said request (PC 27-10), a copy of said report has been presented to the County Board; and

**WHEREAS**, the Planning Commission of the County on the 3rd day of November, 2010, following proper notice, held a public hearing regarding the request and, following the hearing, adopted a recommendation for approval subject to conditions contained in staff report number PC 27-10; and

**WHEREAS**, the Blue Earth County Board of Commissioners finds that:

1. That the proposed use conforms with the county land use plan.
2. The demonstrated need for the proposed use.
3. That the proposed use will not degrade the water quality of the county.
4. That the proposed use will not adversely increase the quantity of water runoff.
5. That soil conditions are adequate to accommodate the proposed use.
6. That the proposed use does not create a potential pollution hazard.

7. That adequate utilities, access roads, drainage and other necessary facilities have been or are being provided.
8. That adequate measures have been or will be taken to provide sufficient off-street parking and loading space to serve the proposed use.
9. That facilities are provided to eliminate any traffic congestion or traffic hazard which may result from the proposed use.
10. That the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted.
11. That the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for predominant uses in the area.
12. That adequate measures have been or will be taken to prevent or control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.
13. That the density of proposed residential development is not greater than the density of the surrounding neighborhood or not greater than the density indicated by the applicable zoning district.
14. That site specific conditions and such other conditions are established as required for the protection of the public's health, safety, morals and general welfare.

**NOW THEREFORE BE IT RESOLVED**, by the Blue Earth County Board of Commissioners, that the request to approve the Schneider Second Subdivision is hereby **granted** contingent upon the following:

1. The developer of the residential parcel acknowledges and understands the following cautionary disclosure from the Blue Earth County Code of Ordinances, Division 2. Agricultural District, Section 24-111 Purpose, Subpart (b) Agricultural operations. Said disclosure states:

Through the adoption of this subsection, the board of commissioners is expressing its intent to enhance and encourage agricultural operations within the boundaries of the county. The county will view the agriculture district as a zone in which land is used for commercial agricultural production. Owners of property, residents, other users of property in the agriculture zone, and neighboring properties adjacent to the agriculture zone may be subjected to inconvenience or discomfort arising from normal and accepted agricultural practices and operations including, but not limited to; noise, odors, dust, operation of aircraft and late night operation of farm machinery, the storage and application of manure, fertilizers, soil amendments, herbicides and pesticides associated with normal agricultural operations. Owners of property, residents, other users of property in the agriculture zone, and neighboring properties adjacent to the agriculture zone, should be prepared to accept such inconveniences or discomfort from normal operations,

and are hereby put on official notice, pursuant to Minn. Stats. ch. 561.19, that this declaration may prevent them from obtaining a legal judgment against such normal operations.

2. The final plat of Schneider Second Subdivision must be recorded within one year of approval by the Blue Earth County Board of Commissioners.
3. Any discrepancies with the County Mapping or Recorder's office must be resolved prior to recordation of the Plat.
4. Construction and septic permits shall be obtained prior to commencement of construction activities.

This Plat Approval shall become effective immediately upon its passage and without publication.
