The property is zoned Agricultural and is located in the NE 1/4 of the NE 1/4 of Section 35, Lyra Township.

Chairman Femrite reviewed the discussion from the July 6<sup>th</sup> meeting and the informal on-site review conducted July 27, 2011. Mr. Femrite read a memorandum of the site visit. The applicant was present. He stated that he was comfortable with the 500 or 700 foot setback to his old home, or anything in between those measurements.

After some discussion by the board members, Mr. Kurt Anderson made a motion to approve a variance of 525 feet from the applicant's old home, 30 feet to the property line and included a sunset clause that construction activities commence prior to December, 31, 2012. Mr. Grams seconded the motion. The motion carried by a vote of three to zero. Board member Gerrish stated he did not vote due to his belief that the original proposal by the applicant was sufficient. He added that the area is zoned agricultural and those living in the Agricultural Zoned District should be aware that agricultural activities take place in the rural areas.
